I'm so glad we had this time together it's awful that we have to leave me alone I couldn't have done it by myself We'ave been together for so long to all our friends buzz off was one of our most memorable phrases.

Now that you have been thoroughly confused just sit back and ask yourself, "What on earth is going on here?" Congratulations to the Class of '84, who truly were the class of the school, and best wishes to all who follow in our footsteps.

The Sophomore "Classy" Officers

We have come to Milligan from different cities, states (though mostly Indiana) and even different countries. We have come toget her to share four of the most important years of our lives (some students stay 5 and 6 years, they love Milligan so much).

We are half way through our undergraduate experience, and the future is promising. Encourage one another in love to make these next 2 years even more special than the first 2. Take the time to enjoy the campus atmosphere and build meaningful friendships because these special years will never be repeated.

Remember this: after you graduate and leave the Milligan utopia, you will begin earning big bucks with your Milligan education. Expect taking 3-10 years to pay back your guaranteed student loans, and when you think your college bill is finally paid off, you will receive a call asking you to help pull your great alma mater out of debt.

(This is why I encourage you to enjoy Milligan ***before*** *you graduate.)*

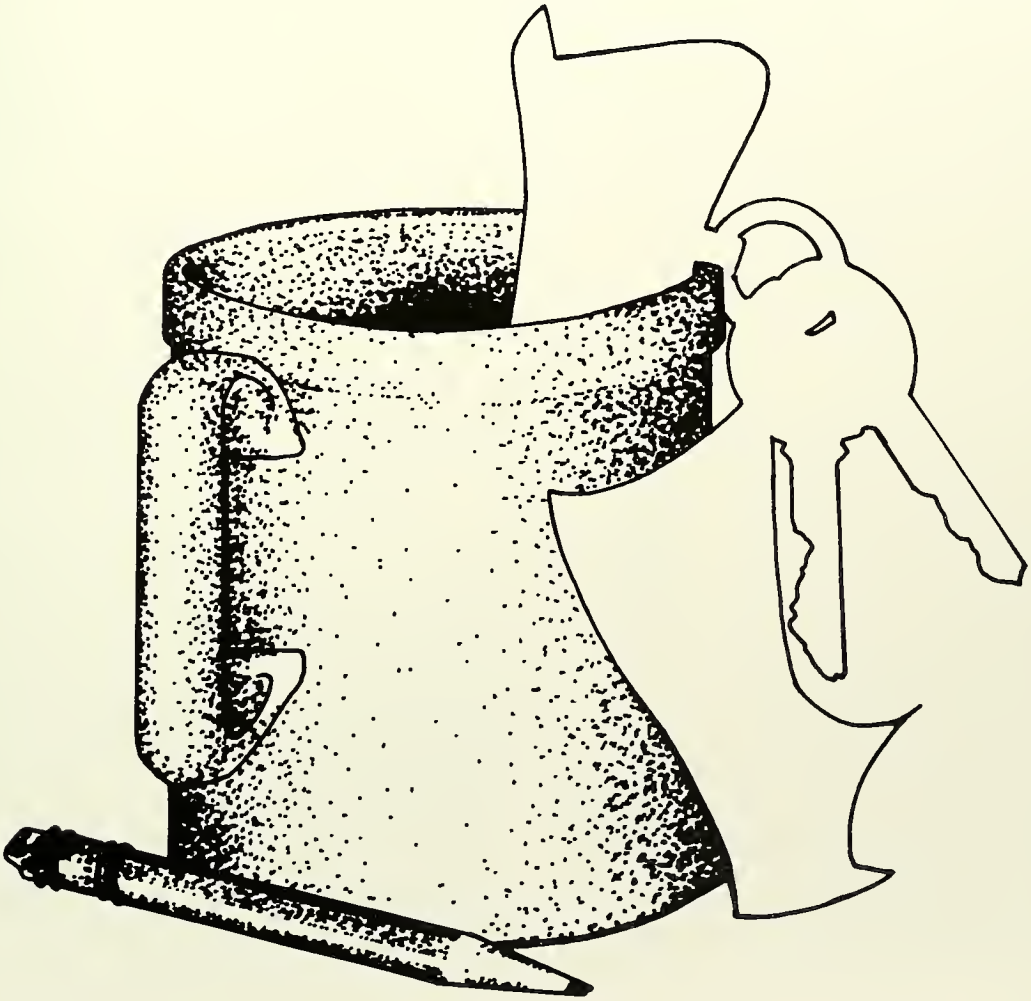
Milligan

Student Life

1984



Frosh 'n' Frolics

The tennis court is thronged with parents and eager freshmen each year. This scene is a reminder of the annual pig-out ice cream party accompanying it, but also the integration of the freshmen into the Milligan College Community. As these dink-studded, starry-eyed people meet with their advisors for the first time, they are given the opportunity to show their parents that they are in good hands. This annual court scene is preceded by fun and frolics as some unsuspecting freshmen lose their dinks, and sometimes their dignity too! The freshman's Inauguration to the "real Milligan" comes with the first Kangaroo Court experience. All of these events prepare young and courageous freshmen for the exciting years awaiting them at Milligan.

Freshmen Week is a time for introspection, reflection, and adjustment for the beginning college student. Sometimes it is a time of inspiration, as for Jenny Long (at right). At other times, it requires much concentration on the present—like during all of the testing!! But no matter what the circumstances, Freshmen Week is a time of growth for each student away from home, but into the family at Milligan.

Enrollment Up?—Let's Celebrate!

The "Cloggers" are dancing! That's OK, because they're celebrating a new tradition at Milligan—enrollment is on the way up! In fact, a special weekend is devoted to celebrate the increase.

A helicopter provides a fantastic way to view the campus. All part of the "Celebration Weekend", the day rides were followed by a movie under the stars and to top it all off, fireworks lit the sky—to remind us all of a great place—Milligan!

Alma Mater—Milligan! All Hail!

Above; Milligan's Alumni All-Star's. These brave and daring men tackled Milligan's finest in a grueling basketball match, during Alumni Weekend.

Alumni Weekend is a special time for the Milligan family, because it allows those who are students at present to show the great advances that are made here each year. The newly formed handbell choir (above left) entertains the alumni at a banquet while ***The Music Man*** *(right) provides an enjoyable evening for all.*

Helicon Concert—Mixture of Classics, Clowns, and Creative Ideas

The annual Helican Concert at Milligan brought a variety of talent and creativity to Sutton Cafeteria. Some of the events included: Upper left: Vince Slabaugh in an unique rendition of "King Tut". Left: The "Milligan Man" Contest with Barry Nrown, Dan Leach, and winner, David Siebenale. Brad Harvey officiated the Contest, in addition to serving as the ***Helicon*** *emcee. Right: "Timothy" keeps the beat with inspirational, modern Christian music. Below left: "Heritage provides a taste of Tennessee culture.*

In addition to these great performances: Chris Russell brought ballads to life, Regina Carrier graced the stage with a Michael Jackson "Beat It", the Cafeteria Blues Band depicted Milligan life, while John Barto received a Convomania rebuttal by Bill Nichol and Wally Taylor. Karen Fentress was the effervescent "Unknown Clown" and a host of other students displayed their talents on this evening of fun and frolic for all.

Concert Lecture Series

Milligan is enthralled by the performance of Harlem Nocturne. These performers brought to the Milligan community a wonderful salute to Black performers throughout the ages.

Pat Terry entertains a lively audience during Prospective Student Weekend.

Bob Bennett hums and strums to an inspired audience.

Enrichment and Entertainment

The Cancert Lecture Series Committee consists of four professors, one administrator, and six students. This committee strives to present a variety of concerts, lectures, and productions. Contemporary Christian musicians, nationally known speakers, opera, and ballet are just a few of the informative and entertaining programs provided by the Concert Lecture committee.

Above: Madrigal Singers—Eric Imboden, Susan Pless, John Dobbs, Beth Bostwick, Jim Bergen, Margaret Winkler, John Barto, Holly Ross, Don Sheffey, Donna Knisley, Matt Osborne, Laura Thompson, Mike Brown, Robin Miller, Steve Reeves, Debbie Bader.

Madrigal Dinners

Left: LaDonna Coy and Scott Brooks liven the atmosphere with their jokes and "jester" behaviour.

The Chamber Singers make Christmas a special festivity. As the singers above show, Christmas is a time for celebration and singing.

The Madrigal Dinners are a special part of the Milligan Christmas tradition. Hosted by Milligan, the Chamber Singers, strolling minstrels, and court jesters serve to enlighten the minds and hearts of the many community people who attend this gala event. While the guests enjoy a scrumptious Christmas feast of roast beef, Yorkshire pudding, and flaming plum pudding, the musical voices of Milligan's family entertains the audience with a festive performance.

Parade the Stage with Plays

*Above: Inspiring scenes from **The Music Man,** including Marian and Mrs. Paroo, the "town gossips" in a rendition of "Pickalittle", and the citizens of River City, Iowa.*
*Right: Milligan's display of diversity is shown in the production of **The Beams Are Creaking,** the story of Dietrich Bonhoeffer's life.*

The Milligan Community Actors and Actresses performed three fine plays. ***Music Man, As You Like It,*** *and* ***The Beams Are Creaking*** *were the productions for the year. Under the fine direction of Mrs. Rosemarie Shields, the students and faculty were able to entertain many spectators at their performances.*

Music Man *by Meredith Wilson and Frank Lacy was a smash hit, with the actors delighting students and alumni both with their performance.* ***As You Like It,*** *a Shakesperean drama, proved to be a success as well.* ***The Beams Are Creaking,*** *a story of Dietrich Bonhoeffer's life, was a nice peak to a good year of acting.*

Collegiate Church culminates in Revitalizing Vespers

Collegiate Church, directed by Tim and Marcia Ross has made many improvements this year. The incorporation of a Sunday school time is one of the newest changes made.

Vespers on Sunday evening remains a highlight of the week. During this time, members of the Milligan community can meet to sing and fellowship in a relaxed atmosphere.

Above are pictured enthusiastic Milligan students at the weekly vespers metting. Dr. R. David Roberts is one of many featured speakers

Studying—A Necessary Tradition at Milligan

Although these students would probably prefer to be playing basketball, watching M-TV, or playing pranks on fellow students—they must study some. Joining these ardent students in the picture at the right is the Milligan College Evening class at Kingsport, TN.

Milligan is experience after experience . . . a continual, eventful four years that none can forget . . .

Saturday Night Live!

Milligan mania strikes every Saturday night. Here, in the annual, are some great ideas of ways to spend ***your*** *Saturday night: The Mall, McDonald's, Wendy's, Shoney's, Poor Richard's or Dairy Queen!*

For those who don't like to eat out (preferring Saturday night Bennyburgers), one can always go to a movie, roller skate, do laundry, study (ugh!), or play putt-putt. Some couples prefer the atmosphere of Anglin field by moonlight, a guided tour of Elizabethton's golf course, or the scenic view of Milligan's campus, as viewed from Emmanuel Hill. Whatever the delight, Milligan students swarm the tri-cities in search of their own—Saturday Night Live!

In nice weather, students may take a quick trip to eat and then "hit the road" to visit the Laurel's, Roan Mountain, Dennis Cove, or any number of scenic spots in good ole East Tennessee.

Humanities Tour

Each summer Milligan offers a humanities tour in which students visit Europe and are given the apportunity to view many places that are only read about by other students. Top left: Sylvia Read and Randy King strike a stunning pose at Corinth. Top right: A scenic view outside Pompidou Museum in Paris. Middle right: Landscape and scenery are beautiful, and this charming house adds an exquisite touch to the countryside. Right: Campers unload at the campsite in anticipation of the spectacular adventure that awaits them.

Student Servants

Milligan Students devote their summers and breaks during the school year to the service of others. Above left: Students are entertained by the Haitions as they visit over Spring Break. Above right: The amazing summer camp team of "Radiance" features the joyful smiles of Bob Kastens, Angie Knowles, Julie Yoke, and Dave Robinson. MILLIGAN REACHES OUT THROUGH SUMMER CA

LIMITED EDITION

The thing I am looking forward to the most is sharing with the kids at the comps. Relating our past experiences with the kids and the confusion of going from high school to college or just through high school and sharing some things that we have done. I am looking forward to growing spiritually because being in camps will be very uplifting to me. I think God has a lot to do to work in my life and this is a valuable time for me to have that happen, working with three other insane people—it is going to be a great summer. Dan McCall

Curtis Booher, Randy Neff, Mike Johnson, Dan McCall

CROSSROAD

I enjoyed the group I was in last year. There were four girls and we got along really well. We had a lot of freedom to be on our own and be with friends and have fun. It was nice to go to the different camps and meet different people and I am looking forward to the same thing next year. Christy Adams

Christy Adams, Rob Kastens, Robin Miller

MP TEAMS

Radiance

Brian Jackson, Angie Knowles, Lisa Hill, David Robinson

I am really looking forword to working with Angie, David, and Brian. We have already had fun just preparing for the summer. Lisa Hill

Bill Nicol and Rick Raines

This summer we will be traveling to various church camps and churches in the brotherhood, probably east of the Mississippi. We hope to present to the kids of junior and senior high some beliefs that we have—that we have learned since we were children. Some beliefs about the bible, God, and also how we feel about Milligan. We hope to represent Milligan in a way that we can get people to come here. Bill Nicol

STUDENT GOVERNMENT ASSOCIATION

Members: Mike Brown, President, Tim Snyder, Vice President, Debbie Smith, Secretary, Ladonna Coy, Treasurer, Sally Barto, Tim Beatty, Dave Bowyer, Brenda Bradley, Ruth Carr, Ron Dove, Treva Draper, Greg Edington, Cathi Fowler, John Gilpin, Bill Greer, Brad Harvey, Paul Holder, Mark Hurst, Lisa Keen, Beth Kirby, David Longley, Ken Means, Tom Phillips, Lynn Pottenger, Theresa Small, Ken Sweitzer, Laura Thompson, Tom Tomlinson, Mike Vaughn

WHO NEEDS IT? Quite frankly, everyone! The purpose of a club or organization is to give students a chance to participate in an area of their interest. They offer the student fun, fellowship, and education. The groups can be broken into five major groups. They are: Governing Groups, Communication Groups, Christian Service Groups, Professional Area Groups, and Music Groups. These five groups have more to offer the student than any one student could wish for—and ***all*** *for free or very little money. Bill Whitford, Section Editor*

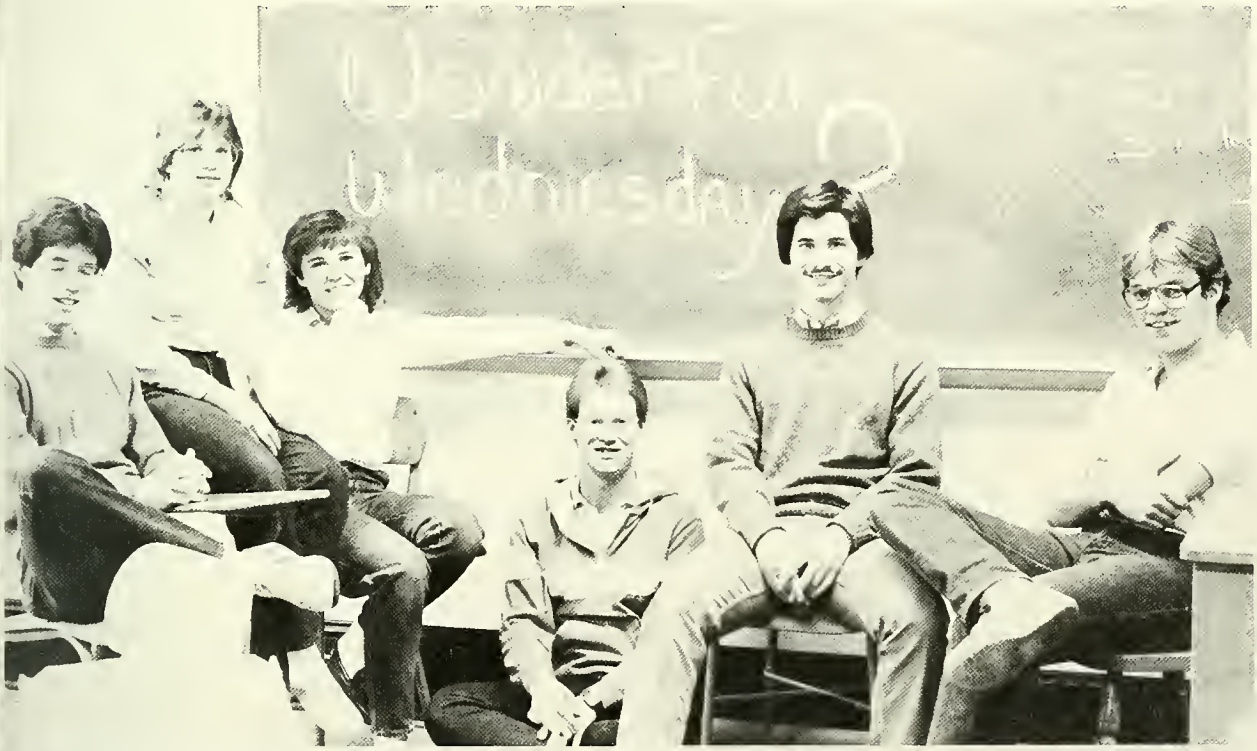
SGA is used as a major communication source between the administration and the students. SGA has a lot of power that people do not realize. It has the potential of voicing any student concern into whatever need. It has the power to really make a complaint be heard. It can be very persuasive—if it is handled right—if it is not done in a demanding way—but in a respectful way. That, in itself, is very special. I do not think the students know that SGA can do that. Mike Brown.

SOCIAL AFFAIRS COMMITTEE

No social group can ever function without a form of government. There must be rules of understanding to go by or no one would know how to act towards another person. To this end are the groups SGA, Social Affairs Committee, Hardin Dorm Council, Webb Dorm Council, Pardee Dorm Council, Hart Dorm Council, and Sutton Dorm Council dedicated. It can be a thankless job, but a job that be done none the less. These are dedicated people.

We plan social events on campus throughout the year. There are two areas that we take care of. The smaller area includes movies that we have; we had a party at the fieldhouse first semester, we also had a frisbee contest, and different things like that. The two large events that we had were the Sweetheart Banquet in February and Wonderful Wednesday in the spring.

Ken Sweitzer



Members: Ken Sweitzer, Chairman, Kristi Beck, Terry Brinkley, Tom Caraway, Ron Dove, Cathi Fowler, Pam Keever, Dave Mills, Dave Robinson

DORM COUNCILS . . . TO KEEP US ALL IN ORDER

HARDIN COUNCIL

We meet once a week and talk about matters that relate to the dorm and the recent things that we have done. Some of the things that we have done recently are: getting our television repaired, getting our tee shirts, having a big dorm cleaning, painting our parking lot spaces so that people will not park there, and having a trip to the Laurals. Jenny Hartley

Members: Jerry Brinkley, Becky Dougherty, Jeanie and Rob Gardner, Jenny Hartley, Susan Pless, Megan Stump, Maryanne Walenfelz, Felicia Walther.

PARDEE COUNCIL

The purpose of our dorm council is to serve the residences and the general oversight of the dorm—to take care of situations within the dorm, different conflicts in the dorm, or different activities in the dorm. The council is the general overseer of the dorm. Doug Foote

Members: Tim Beatty, Jim Burgen, Mike Dunn, Greg Edington, Doug Foote, Dan Gregory, Mark Hearst, Jael McNett, Dave Rehono, Robert Shields, Dave Siebenaler

HART COUNCIL

Members: Laura Thompson (president), Diana Staughton (vice-president), Sheri Messimer (secretary), Nancy Paul (treasurer), Theresa Bowyer, Dena Brown, Amy Brunsman, Karen Fentress, Angela Green, Sharyl Powers, Tressa Wigginton

I like being involved with what is going on in the dorm life, Hart is divided into sections, each sections picks a representative, and this representative is to voice her section's opinions and ideas at the drom council's meetings. Dorm council meets once a week and any complaints or new ideas are discussed then. We try to better the dorm life. Tressa Wigginton

SUTTON COUNCIL

Members: Treva Draper (president), Joy Dee Miller (vice president), Diane Dillon, Kelly Henderson, Geodee Sumpter, Beth Williams

We meet to take care of things like dorm parties, open house, taking care of secret pals, and finding solutions to problems in the dorm. Geodee Sumpter

WEBB COUNCIL

Members: Tom Phillips (president), John Hutchins (vice-president), Jerry Auregeme (treasurer), Greg Alexander, Mike Churchin, Dave DeVore, Steve Gensurawski, Dave Hamilton, Dale Jordan, Rob Kastens, Stan Smith, Keith Tolbert, Jeff Vaudrie, Bill Whitford, John Watson

We mainly decide what we are going to do for open house and the only other thing we do is decide how we are going to allocate the money that we take up in dorm dues. Tom Phillips

STAMPEDE STAFF

Social groups need communication to know what is going on in the group. The two groups on campus that do this job are the Stampede Staff and the Buffalo Staff. The Stampede takes care of the events that happen on a monthly basis, sharing things of interest to the students and serving as a sounding board. The Buffalo (yearbook) Staff is devoted to a grander scale. The job is to put the whole school year together in book form. This is a very hard job.

Members: Tom Banks (editor), Theresa Bowyer, Bob Brown, Peter Caldicott, Frank Drew, Eric Hobson, Mark Hurst, Sylvia Read, Dave Rehana, Diana Stoughton, Susan True, Mike Vaughan, Rhonda Waldrop, Wendy Ward, Bill Whitford, Jonathan Woodring

The Stampede Staff gives me an opportunity to meet people and also chance to work on my writing skills as well. Bob Brown

I enjoy writing and expressing myself. And sometimes I like to write humorously—it is a lot of fun. I enjoy entertaining my peers. Theresa Bowyar

BUFFALO STAFF

I like the enjoyment of using my creativity to do something and then see it in a final product. I can take the yearbook and look at all the pages that I have done over the year and see all the work that I put into it. I like working with people and it is a way of meeting new people, especially through the long nights of staying up. Cindy Rock

HELICON STAFF

Members: Jnanne Gentry (editor), Cindy Rock (asst. editor), Morilyn Adams, Carol Baker, Robin Bary, Janet Cummings, Amy Black, John Doughty, Diane Dillon, Brian Battin, Greg Flentje, Jenny Hartley, Randy King, Tim Kirk, Koren Moreland, Pam Phillis, Penny Prescot, Lisa Pryor, Alicia Shultz, Chris Spurgin, Linda Stimpson, Gail Tabor, Margie Trent, Suzanne Tyson, Bill Whitford

I really like working on the yearbook staff because in is fun and it was a new experience—I have never done this before. I liked working with the other staff members. Pam Phillis

Association of Christian Ministries

Since Milligan is a Christian believing institution, it is not surprising that we have five groups related to christian service. They are the Association of Christian Ministries, The Mission Club, The International Club, Service Seekers, and Circle K. These groups serve Bible majors, Bible minors, the students on campus, as well as serving others off campus. The best thing about christian service is the joy and love that is given and received while working with other people and knowing that you are pleasing God.

Members: Dr. William Gwaltney, Mr. Lee Magness, Dr. David Roberts, Dr. Henry Webb, Greg Alexander, Bob Brown, Marty Bullis, Tom Caraway, John Dobbs, Tim Gephart, Anthony Kanunshya, Rob Kastens, David Laduke, Dave Mills, Susan Oliver, Matthew Osborn, Miltiades Pantelios, David Siebenaler, Wally Taylor, Alan Young

MISSIONS CLUB

Members: Singbeh Bond, Brenda Bradley, Dennis Chisunka, Cindy Cornwell, Robin Gardner, Anthony Kanunshja, Susan Oliver, Miltiades Pantelias, Pam Phillis, Tim and Marcia Ross, Diane Stover, Jim Thamm, Laura Thompson.

INTERNATIONAL CLUB

I like the fellowship that we are having in the club . . . I think that it is a good way to get to know people from other countries and it gives you the opportunity to know what the other countries are like and all the cultures as well. Adeline Prophete

Members: Mrs. Woolard (advisor), Kim Bays, Britton Blackwell, Peter Caldicott, Kathleen Brennan, Singbeh Bona, Dennis & Anita Chisunka, John Goah, Betty Hill, Anthony Kanunshya, Pam Phillis, Sue Pittman, Adeline Prophete, Linda Stimpson, Diane Stover, Gail Tabor

The best thing about the club is getting to know people from other countries, being able to be with them, to learn about their country and customs, and it is also an opportunity for them to get to know us and our customs and the way we are and our life style which varies from different parts of the country. So, the club is of interest to them and to us. I think that is a great thing that we have here at Milligan and I think that it is a shame that a lot of people do not get involved in it. Gail Tabor

SERVICE SEEKERS

Members: Anita Ubele (president), Susan Currier, Carrie Fisher, Kevin Flora, Elaine Harrison, Scott Hobson, Brian Jackson, Brent Jasper, Robby Kastens, Angie Knowles, Mark Lewis, Dave Mills, Bill Nicol, Sharyl Powers, Rick Raines, David Siebenaler, Martha Stoughton, Wally Taylor, Susan True

I really feel strongly about the program itself. We are going out and working with the older people at the village. Our intent is to share a part of ourselves with other people and to fellowship. I feel that that is very important and that is something that we are reaching. And we are making some very dear friends. Angie Knowles

Sharing with the old folks out at the village—they like that—for the fellowship. Brian Jackson

CIRCLE K

Members: Mr. Eugene Price (sponsor), Mr. Bill Rhoades (sponsor), Steve Bornemann (president), Bill Greer (vice-president), Vincent Slabough (secretary), Terry Brinkley (treasurer), Mike Churchin, Tim Devault, Dale George, Phyllis Gower, Angela Green, Michael Hogan, Christy Holland, Brent Jasper, Tammy Johnson, Gina Lambert, Steve Murray, Joe Nanney, Trishia Nicely, Chris Riley, Carla Root, Joe Slone, Debbie Smith, Keith Tolbert, John Watson, Edwina Young

Circle K gives us a chance to do something in the community and just do things for others. Gina Lambert

S.N.E.A. and S.C.E.C.

Since Milligan is alsa a Liberal Arts institution there is a need for groups looking forward to going into the professional work field. These groups are S.C.E.C., S.N.E.A., M.E.N.C., The Political Science Club, The Psychology Club, and The Science Club. Each club is geared to helping their members to see what the future holds in stare for them. These groups are great far answering any and all types of questions that the student can think to ask.

Members: Sherry Yeaton, President, Mark Yeaton, Vice president, Kim Bowyer secretary, Kelly Wilkinson, Treasurer Kim Bays, Kristi Beck, Regina Carrier Lynn Chalmers, Mike Cuddy, Dan Deremer, Sherry Dethez, Karen Fentress, Rabin Garland, Donna Knisley, Kelly McDuffie, Rabin Miller, Cort Mills, Holly Ross, Nancy Stienbach, Laura Thompson, Anita Uebele, Felicia Walther.

I Like the material that we get through the Parent Club. It is very interesting. We get two different Magazines. They are ***The Exceptional Children*** *and* ***Teaching the Exceptional Children.*** *They keep us up to date with new methods of teaching and different things that are coming out for the different handicaps that children have. We also have different speakers come in: We get really interesting people. Jan Toon*

Members: Karen Fentress, President, Jan Toon, Vice-President, Bobbie Taylor, Secretary, Sue Shipp, Treasurer, Kristi Beck, Bryana Burbank, Regina Carrier, Susie Francis, Melinda Morris, Nancy Vagt.

M.E.N.C. and Political Science

I like the fringe benefits. It is very educational, I have to pay a lot of dues, but it is going to be worth it in the long run. Holly Ross

I like M.E.N.C. because it gives music students an opportunity to look at professional music magazines. It gives us a chance to help out in the music department in an organized fashion. Mike Imboden

Members: Laura Thompson, President, Mike Imboden, Vice-President, Holly Ross, Secretary, Christy Adams, Treasure, Brent Billheimer, Brain Jackson, Loretta Jette, Donna Knisely, Angie Knowles, Anita LaVallee, Mark Lewis.

Members: Mike Brooks, Dave Carrel, Mike Crowell, Scott Dines, Ron Dove, Anthony Kanunshja, Dave Mills, Karen Moreland, Miltiades Pantelios, Lisa Pryor, Roger Roberts, Elmer Sanders, David Siebenaler, Vince Slabaugh, Wally Taylor, Jeff Voudrie, James Wood.

We keep up to date on political matters. Elmer Sanders

SPECIAL INTERESTS ARE SCIENCE CLUB

Members: Debra Bane, Alan Bratton, Dena Brown, Amt Brunsman, Jim Buck, Mary Jo Gardner, Lisa Garland, Angela Green, David Hamilton, Mark Harris, Jennifer Hartley, Mark Hurst, Lois Johnston, Jennifer Kelly, Robin Linkous, Marsha McNabb, Joe Nanny, Norma Nehren, Lisa Pryor, Carole Railey, Debbie Rothrock, Andrea Shaffer, Jan Toon, Margie Trent, Bill Whitford, Margaret Winkler, Jane Zieske

I like the various programs that the Science Club has and the meetings and projects they do. Debbie Rothrock

I am looking forward to the trip to Washington, D.C. They have very good speakers and it is very educational. I think it is very good for my future—if I go into teaching. Lois Johnston

REFLECT IN CLUBS
PSYCHOLOGY CLUB

Members: Felicia Walther (President), Lisa Abbott (Vice-President), Cindi Winegardner (Secretary-Treasurer), Kim Bays, Ruth Carr, Mike Coffman, Petra Haynes, Roxanne Pierson, Debbie Rothrock, Bill Whitford

Psychology Club offers a general idea of what psychology is like through informal ways. For example, meeting different speakers and getting together to formulate ideas of certain issue—to get different views on them and interact with each other. To go places and see different concepts that are being practiced (like going to the Mental Health Center to see how biofeedback works). To see what instruments psychology uses and what theories go with what practices. Mike Coffman

The Psychology Club is to provide interested psychology students with the chance to speak with lecturers about future opportunities in the area of schooling in psychology and to provide information as far as psychological counselling is concerned. The psychology students are available for any other students who would need psychological counselling. All this is done in a Christian atmosphere. Felicia Walther

PEP BAND ADDS SPIRIT

The area of music is composed of two sub-groups. These are the areas of instrumental groups and Show Choir, Concert Choir, Women's Ensemble, Milligan Men, and Heritage comprise the vocal groups. In addition, there are four summer tours groups for the summer of 1984—Crossroad, LTD, Edition, Radiance, and Nicol and Raines. The main purpose of the groups is to grow in the talent that God has given to them and then use that talent for glorifying God.

I enjoyed Pep Band because I am a musician and it gave me a chance to use some of my talent. I liked it because it was relaxing, it was something I like to do, and it was supporting the school. I enjoyed being with the group, there were a lot of fun people and we had a good time. Dave Siebenaler

Pep Band was fun. It was a good break from the day. Mr. Helsabeck did a good job with it and the other people did a good job too. Tim Kirk

Members: Mr. Dennis Helsabeck Jr., Director, Debbie Bechtal, John Bosomworth, Nancy Carter, Karen Crites, Scott Hobson, Jonathan Hughes, Tim Kirk, Joel McNett, Martha Miller, Melinda Morris, Dr. Ken Oosting, Jack Orth, Mark Richardson, Tina Roberts, Andrea Shaffer, David Siebenaler, Annette Smith, Glenn Smith, Laurie Snyder, Mike Sweeny, Adam Thornton, Bob Turner, Anita Uebele, Dirk Wideman.

HANDBELL CHOIR RINGS OUT

Members: Dr. David Runner, Director, Christy Adams, Beth Bostwick, Carolyn Flora, Brian Jackson, Jennifer Kelly, Billie Oakes, Laurie Snyder, Diana Stoughton, Beth Williams, Bill Whitford, Jane Zieske.

The thing I like about handbell Choir is the fact that you can really become so involved when you are practicing that time seems to stop. In my first Semester, I started realizing that the class period seemed to be over just after it had started. I got so involved with the music and the beauty of the sound of the handbells that once I became involved with it, I really enjoyed it a great deal. Bill Whitford

If you are not involved with any other instrumental music, it is really enjoyable. You only have three hours a week to practice if you have a heavy time schedule. Jennifer Kelly.

MUSIC ENHANCES EVERYONE'S LIFE

SHOW CHOIR

I like the costumes, I like the traveling, being Chris' partner, I like the dessert after the concert, and that just about covers everything. Gail Blythe

I like the people, staying at different people's houses, meeting the different people and I like (the very most) traveling. I like performing. Carrie Harris

HERITAGE

I like doing something different musically and I think that our sound, style, and variety is very original. I receive a lot of artistic pleasure from that. I like being on the road, meeting people, and singing for them. I am the type of person that likes being on stage, and Heritage gives me that opportunity to do this and to present my faith in a form people can relate to.

I like meeting the people that we stay with on the weekends and meeting all of the Christian people at the churches that we go to and fellowship with them. I really love all the people in Heritage also. They are really top-notch people. Joellen Young

Members: Julie Alexander (director), John Barto, Jonathan Hull, Dave King, Anita Lavallee, Laura Thompson, Joellen Young

CONCERT CHOIR

I have enjoyed Concert Choir this year because I have gotten to be in it with two of my sons and I feel like I may never have a chance to do this again. I got to go on tour with the group and enjoyed it very much, getting to know the kids better, and I feel like it has been a good year. Rochelle Imboden

I liked the fellowship of being with other people. We had a good time ond I had fun. Joonne Sharpe

It is a chance to have fun and use our talents without pressure of having to be professionals. To go out on tour and basically have a good time with everybody. Frank Drew

*According to last year's **Buffalo,** the staff learns to budget time while working on the book, as well as sharpening other skills. May I say that the 1983-4 staff should continue to learn this. (It's June 23; I just boxed up 28 pages, mailed 44 two weeks ago, and have 37 left to go!)*

*Seriously, though, I've enjoyed working on the **Buffalo,** looking at pictures and making mistakes . . . along with looking for everyone else's mistakes so this book will be perfect. (My apologies to all who have misspelled names, funky pictures, etc.)*

*A special thanks should go to Paul Bader and Ann Iles for agreeing to sponsor the **Buffalo.** Without their support the Milligan rules would not have allowed the existance of the yearbook staff. (They also kept the budgetted money on the budget—a big thanks for that!)*

*Well, since the editor is expected to review the year—may I say that my last year at Milligan bordered on wonderful some days and came despairingly close to horrible on others—depending on how close to deadline the **Buffalo** was and how many tests I had coming up. I saw many changes. Long-time staff members, professors, and administrators (as well as new ones) left—to be replaced by the new regime. Only time will tell how well this will work toward the good of the college. My prayer is that Milligan remains a good liberal arts college, emphasizing Christian qualities in all ways—rather than really becoming "Milligan Bible and Business Institute."*

Dedication

The 1983-4 ***Buffalo*** *is respectfully dedicated to Dr. Bertram S. Allen in recognition of the years he spent as Deon of Students. He gave much of his time, knowledge, and self to the Milligan community as an administrator . . . and continues to do so as a faculty member.*
